Admission procedure

If a preliminary review determines that the applicant meets the school's academic standards, the following steps take place prior to the Admissions Committee's final review:

- **School presentation.** Presentations of EABJM, followed by a Q&A session, take place almost weekly throughout the year. Dates are available on our Web site. We require that parents attend a school presentation—even alumni and parents who have or have had children enrolled at EABJM. Please confirm your presence at one of these presentations by email: admissions@eabjm.net
- **Preliminary review**
- **If the applicant meets the school's academic standards, a meeting with the parents and the applicant is organized.** An appointment is scheduled with a school department head, the Director of Admissions or the school Principal. We request that *both* parents come with the applicant to this meeting, which lasts approximately 30 minutes.

Notification

The Admissions Committee examines applications for 9th and 10th grade (troisième & seconde) in mid-April and notifications are mailed by April 30. For 11th and 12th grades, the Admissions Committee meets in mid-May and notifications are mailed by May 20.
